BOCCHI[®]

BATHROOM COLLECTION

With over 70 years of experience, BOCCHI is a leading brand in the kitchen and bathroom products industry. Since our establishment in 1950, the values of BOCCHI have never changed: creative and innovative excellence at every level, as well as care for people and for the environment.

Our mission has always been to offer our partners innovative, high-quality and creative solutions in products and services to provide a unique and valued experience.

Today, BOCCHI harmoniously brings together tradition and design, and proudly stands for quality, durability and care.

Using sustainable processes and practices, we make it our priority to care for the environment through every step of production. Our products are built on tradition, designed for your busy life, and with the utmost care for tomorrow.

FINE FIRECLAY

BOCCHI brings back the ultimate material to your home. Fireclay, a 100% natural and recyclable material, used by craftsmen for centuries to create timeless fixtures, has now returned to our bathrooms.

Due to the specialized manufacturing process, which includes firing in kilns up to 2000 degrees Fahrenheit, fireclay becomes one of the most durable materials used in today's bathroom fixtures. Their specialized glaze coating that is fused with the fireclay body during firing gives fireclay sinks a non-porous, uniform surface which will not scratch, rust or stain over time.

BOCCHI Fireclay Bathroom Products allow homeowners to compliment other furnishings and incorporate many different themes to showcase their creativity.

With 12 designer colors to choose from including metallic glaze finishes, and multiple styles and sizes, each product can be installed in multiple ways that allow you truly customize your style... define your world with BOCCHI bathroom products.

BOCCHI Clean+
Easier to clean & stays
clean longer

Food-Safe
Safe for toothpastes
and medicines

Heat Proof
Extreme heat from
styling tools or almost
anything

Super Smooth Surface
19 times smoother than
ordinary fireclay surface

Stain Resistant
Easily remove stains
from makeup and more

UV- Protected
Won't fade or discolor

Impact-resistant
Extremely durable and
scratch resistant

DESIGN

The idea of design now goes beyond mere objects and products and turns into a holistic experience in our age.

Our priority is to introduce differentiated products that have stories. . . Stories driven by the idea of design, to the process all the way from initial design concepts through the end user.

BOCCHI is committed to combining its modern and traditional human-oriented design approach with high technology to offer innovative solutions. It's a hallmark to our company's original motto of 'il bagno per tutti' or 'a bathroom for all.'

Each product takes a journey from soil to ceramic... along the way BOCCHI remains a leader in its awareness for responsibility for nature and society. Each product is designed and built with care, and meant to last.

EXCLUSIVE BOCCHI COLORS

Color choices in the home create focal points, convey emotions and reflect our personal style.

Now BOCCHI gives you the opportunity to carry all these colors into your bathroom. You can create unique color stories in your home that balance the natural focal point created by your bathroom fixtures with the harmony created by your other accessories and finishes.

Add a splash of color to your world with BOCCHI.

SUPER SMOOTH SURFACE

Super Smooth Surface technology has been developed to minimize lime remains, undesirable dirt and bacteria on ceramic surfaces and make cleaning easier. This technology is the result of many years of research.

Super Smooth Surface is 19 times smoother and has less roughness than regularly glazed surfaces.

Test results show that super smooth technology provides a surface that has a higher quality than regular porcelain surfaces. Therefore, the Super Smooth Surface requires much less water to clean and is more hygienic.

19X SMOOTHER, 19X EASIER

CLEAN+ TECHNOLOGY

Another innovative enhancement from BOCCHI is the Clean+ Technology. This technology helps you keep your bathroom fixtures always brilliant, clean, shiny and new.

Clean+ Technology decreases roughness so the contact angle of the ceramic surface can create a hydrophobic effect, which helps to prevent lime remains and undesirable dirt build up.

A smooth wipe and a mild cleaning would be sufficient to maintain the spark of your fireclay.

COMFORT & CARE

BOCCHI select Comfort & Care grab bars and shower seats add stability and care to the bathroom in a range of unique installations, colors and styles.

Grab bars are available in high gauge stainless steel, or a uniquely colored surface that offers a warm touch and antibacterial qualities.

Shower seats easily fold up and away to add function to even the smallest of shower spaces.

Warm Touch

Soft-Touch surfaces stay warm to the touch and resist the coolness of metal

Hygienic

Soft-Touch surfaces deter the growth of bacteria and mildew

Superior Grip

Soft-Touch surfaces provide a non-slip surface even when wet

No Rust / No Scratch

Soft-Touch surfaces resist scratching and rusting to stay looking like new

GRAB BARS

Made of seamless grade 304 stainless steel with hidden flange caps. Available in unique Soft-Touch finish and colors.

TBXX-XXX-1135 135° Grab Bar

10-1/2" x 4-3/8" x 25-1/4" May be rotated to fit your desired positioning; features hidden flange caps; White, Black and Orange colors feature unique Soft-Touch technology that stays warm to the touch

- TBST-001-1135 white
- TBST-005-1135 black
- TBST-012-1135 orange
- TBPC-101-1135 stainless steel

TBXX-XXX-1190 90° Wall-to-Floor Grab Bar w/ Support Leg

8-1/4" x 29-1/2" x 29-1/2"
Support leg may be rotated to the right or left side; features hidden flange caps; White, Black and Orange colors feature unique Soft-Touch technology that stays warm to the touch

17-3/4" x 17-1/2"

Phenolic material is easy to clean and water and mildew resistant; stainless steel framing with hidden flange caps; folds up to save space when needed; supports up to 440 lbs

 TBDO-101-1004 white

 TBDO-101-1005 oak

SHOWER SEATS

Easy to clean phenolic shower seats fold up and away to save space. Capable of supporting up to 440 pounds.

THANK YOU FOR CHOOSING BOCCHI

Thank you for choosing BOCCHI. By doing so, you will enjoy the outstanding quality and durability of your new BOCCHI product for many years to come.

All information in this guide is based upon the latest product information at the time of publication. At BOCCHI, we strive to fulfill our mission of improving the level of luxurious living for each person who is touched by our products and services. We reserve the right to make changes in product characteristics, packaging, or availability at any time without notice.

Please take a few minutes to review this guide. Pay special attention to the care and cleaning instructions.

Proof of purchase (original sales receipt) must be provided to BOCCHI with all warranty claims from a valid BOCCHI vendor. BOCCHI is not responsible for labor charges, installation, or other incidental or consequential costs. In no event shall the liability of BOCCHI exceed the purchase price of the product.

FIRECLAY, VITREOUS CHINA and GRANITE KITCHEN AND BATHROOM FIXTURES LIFETIME LIMITED WARRANTY

BOCCHI warrants its fireclay fixtures, sinks, vitreous china toilet bowls, and granite sinks to be free of defects in material and workmanship during normal residential use for as long as the original consumer purchaser owns their home. Gloss reduction, scratching, staining, and acid or alkaline etching of the finish over time due to use, cleaning practices or water or atmospheric conditions are normal wear and tear. This warranty applies only to BOCCHI fireclay fixtures, sinks, vitreous china toilet bowls and granite sinks installed in the United States of America or Canada (North America). If a defect is found in normal residential use, BOCCHI will, at its election, repair, replace or make appropriate adjustment. Damage caused by accident, misuse, or abuse, such as cracks, chips and scratches after installation, is not covered by this warranty. Improper care and cleaning will void the warranty.

If the fireclay fixture, sink, vitreous china toilet bowl, or granite sink is used commercially, or is installed outside of North America, BOCCHI warrants the product to be free from defects in material and workmanship for one (1) year from the date the product is installed, with all other terms of this warranty applying except duration. All other components other than the fireclay, vitreous china or granite carry BOCCHI's one-year limited warranty unless otherwise specified.

KITCHEN FAUCETS LIFETIME LIMITED WARRANTY

BOCCHI warrants all aspects of their faucets to be free of defects in material and workmanship during normal residential use for as long as the original consumer purchaser owns their home. This warranty applies only to BOCCHI faucets installed in North America. If a defect is found in normal residential use, BOCCHI will, at its election, repair, provide a replacement part or product, or make appropriate adjustment. Damage to a product caused by accident, misuse, or abuse is not covered by this warranty.*

If the faucet is used commercially, or is installed outside of North America, BOCCHI warrants the faucet to be free from defects in material and workmanship for one (1) year from the date the product is installed, under BOCCHI's standard one-year limited warranty.

KITCHEN SINK & FAUCET ACCESSORIES, GRAB BARS AND SHOWER SEATS ONE-YEAR LIMITED WARRANTY

BOCCHI warrants all aspects of the fixture, accessories such as cutting boards, colanders, drain covers, soap dispensers, grab bars, shower seats and other kitchen or bathroom accessories and workstation products ("Accessories") to be free of defects in material and workmanship during normal residential use for one year so long as the original consumer purchaser owns their home. This warranty applies only to BOCCHI Accessories installed in North America. If a defect is found in normal residential use, BOCCHI will, at its election, repair, provide a

replacement part or product, or make appropriate adjustment. Damage to a product caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty.*

If the Accessory is used commercially, or is installed outside of North America, BOCCHI warrants the Accessory to be free from defects in material and workmanship for one (1) year from the date the product is installed, under BOCCHI standard one-year limited warranty.

--

*DO NOT USE cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol, solvents or other products not recommended for chrome or stainless steel. This will void the warranty. DO NOT use drain unblocking products that involve filling sinks with chemicals.

BOCCHI AND/OR SELLER ARE PROVIDING THIS WARRANTY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. BOCCHI AND/OR SELLER DISCLAIM ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state/province to state/province. This warranty is to the original consumer purchaser only, and excludes product damage due to installation error, product abuse, or product misuse, whether performed by a contractor, service company, or consumer. This is BOCCHI's exclusive written warranty.

GENERAL CARE AND CLEANING TIPS

For best results, keep the following in mind when caring for your product: Always test your cleaning solution on an inconspicuous area before applying it to the entire surface. Wipe surfaces clean and rinse completely with water immediately after applying cleanser. Rinse and dry any over-spray that lands on nearby surfaces. DO NOT allow cleansers to soak on surfaces. Use a soft, dampened sponge or cloth. NEVER use an abrasive material such as a harsh brush or scouring pad to clean any BOCCHI surface. Success with cleaners and procedures is dependent

upon such factors as the hardness and temperature of the water, exact measurements of ingredients, changes in cleaning formulas and the condition of the product being cleaned. Since there are variations within these factors, BOCCHI cannot guarantee the effectiveness of the formulas mentioned.

Care & Cleaning Tips for Fireclay and Vitreous China:

Rinse thoroughly and use a soft cloth to wipe the product dry after each use. Soft abrasive cleaners may be used when necessary to clean BOCCHI fireclay and vitreous china fixtures. Strong abrasive cleaners should NEVER be used and may scratch or dull the surface. The appearance of surface marks and build-up of rust or other stains, minerals, etc. on the surface may be easily removed using recommended cleansers such as Bar Keepers Friend.

Care & Cleaning Tips for Granite:

Rinse thoroughly and use a soft cloth to wipe the product dry after each use. Soft abrasive cleaners may be used when necessary to clean, strong abrasive cleaners should NEVER be used. To prevent limescale build-up leave a solution of warm water and white vinegar or a specific descaling/anti-limescale product for use with granite sinks, on the sink bottom for a few hours (or as directed)--then rub vigorously with a non-abrasive sponge until clean and rinse and dry sink.

Care & Cleaning Tips for Faucets, Soap Dispensers, Chrome and Other Metal Surfaces:

DO NOT use cleansers containing ammonia, bleach or acid. Rinse thoroughly and use a soft cloth to wipe the product dry after each use. The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits. It is important to use a dabbing action to dry metal, NOT an abrasive or rubbing action. Cleaning with a damp sponge or cloth and buff drying should keep your product looking beautiful.

Care & Cleaning Tips for Sink Accessories:

Non wood accessories may be cleaned using standard dish soap, or be washed in a dishwasher. It is important to thoroughly dry after each wash to maintain the best finish to each surface. Wood accessories should be thoroughly washed and dried after each use and never stored wet to prevent warping. Occasional application of a thin coating of food-grade oil to the wood surfaces will prevent them from drying out. Be sure to wipe off any excess oil after application.
